

Please join AASP-MN for a **Mech XChange**

Protect Your Business – Become ADA Compliant

Avoid Being Sued and Increase Your Customer Base

Tuesday, October 24th
4:00 - 6:00 p.m.
Grumpy's Bar & Grill
2801 Snelling Avenue
Hamline Room (lower level)
Roseville

There has been a recent surge in lawsuits around the state targeting businesses for not removing physical access barriers as determined by the Americans with Disabilities Act (ADA). A handful of AASP-MN members have been on the wrong end of these lawsuits. Attend this session to gain the tools and knowledge you need to meet all of your obligations under the ADA and building code. David Fenley, ADA/Access Coordinator with the Minnesota Council on Disability will present the ADA basics, the most common fixes and technical guidelines, and all the resources you will need to avoid lawsuits.

Participants will also receive a report on AASP-MN's current initiatives and upcoming events.

\$20.00 registration fee includes soft drinks and appetizers. Please RSVP to aasp@aaspmn.org by Thursday, October 19th.

Mech XChange is open to all owners/managers of mechanical repair shops in the area. You don't have to be an AASP-MN member to attend. So, feel free to pass this information along to a shop colleague and invite them to attend. We look forward to seeing you at the **Mech XChange**!
