

FREE OSHA Workplace Safety Consultation Workshop

Topic: Hazard Communication and MN Employee Right-to-Know for Auto Shops

Presented by Ben Wood and Marnie Prochniak

Tuesday, October 10, 2017

5:30 – 7:00 p.m.

Lake Superior College

Room S1981

Duluth, MN

Pre-registration Required

This course will cover mandatory requirements for Hazard Communication and Employee Right-to-Know (ERTK) programs and training. Attendees will receive a template for developing written Hazard Communication & ERTK programs. Attendees will also review mandatory training requirements applicable to the industry.

- **Hazard Communication:** Hazardous Chemicals, Safety Data Sheets (SDS), Global Harmonization System (GHS), Labeling
- **MN Employee Right to Know:** Chemical Agents, Physical Agents (heat, noise, radiation), Infectious Agents (Bacterial, Viral, Fungal & Parasitic)
- **Training Requirements:** Observation & Communication of Hazards, Personal Protective Equipment (PPE), Documentation of Training, Frequency of Training, Availability of Information, Emergency Procedures

About the Instructors:

Ben Wood is a Safety Consultant. Marnie Prochniak is an Industrial Hygienist. Both Ben and Marnie conduct on-site safety & health consultation visits, provide technical assistance outreach and training to employees, employers, alliances and partnerships. Industrial hygiene monitoring is provided upon request. Workplace Safety Consultation provides free voluntary and confidential workplace safety and health assistance to Minnesota businesses, with a priority for small businesses. Services are completely separate from MNOSHA Compliance and no citations or fines are proposed.
