Program

Todd Tracy

Texas Attorney who won a \$42M lawsuit

"The Anatomy of a Lawsuit: The Crucial Details of the \$42 Million Verdict. According to Tracy, "this is a defining moment in your industry." Tracy will discuss the facts that led a jury to conclude that OEM procedures were paramount and define how business decisions made in the course of repair can have dramatic effect on both the repair outcome and ultimate responsibility. Understanding the intricacies of the case, understanding the liability implications is significant to collision repair business owners and operations.

Mike Anderson

Acclaimed champion of Collision Industry....

There is no one in collision repair who hasn't heard of Mike Anderson. He is a sought after speaker, author and consultant. Mike will teach pertinent cutting-edge management and operational techniques as it relates to OEM Certification.

He is the former owner of Wagonwork Collision Centers, two highly acclaimed shops located in Alexandria, Virginia. Currently, Mike owns and operates CollisionAdvice, an industry research, reference and consulting business. In addition, Mike also serves as a facilitator for Axalta's highly recognized Business Council 20 Groups in both the US and Canada. He also facilitates numerous courses for the Axalta Performance Services Educational Series. But that's not all; he is guaranteed to leave you laughing and highly motivated as well!
