

WEBINAR

Creating an AWAIR Program for Your Shop

Presented by Carol & Janet Keyes, Complete Health, Environmental & Safety Services

Tuesday, November 17th - 10:30 – 11:30 a.m. CST

Cost: \$100 ea. member shop

(Pre-registration and payment due prior to session)

Automotive repair facilities in Minnesota are **REQUIRED** to have **A Workplace Accident and Injury Reduction (AWAIR)** program. Minnesota OSHA has been out since July enforcing and citing violations of the AWAIR standard. Attend this webinar to learn the purpose and requirements of the AWAIR standard and begin developing a customized program for your own shop.

At the end of this webinar, you will be able to:

- Explain what an AWAIR program is
- Explain the components of an AWAIR program
- Apply that knowledge to begin drafting an AWAIR program for your shop

In addition, you'll receive these take-aways valued at over \$1,000:

- AWAIR program outline
- Up to 20 minutes phone consultation or CHES will review the program you developed (within 30 days of the webinar)
- OSHA inspection checklist of the most frequently cited standards, so that you will have a scorecard of where your weaknesses might be
- Discount on CHES subscription services (SDSLinks and Safety Flash Cards)

Make sure your shop is complying with the AWAIR standard. Register today!

Creating an AWAIR Program for Your Shop
