**ZOOM Conference**

## **Navigating the Mask Mandate**

Could you use some help and advice from other shop owners? In this roundtable discussion, we'll discuss the requirements of the new statewide masking mandate and talk about tips and tools to ensure compliance. AASP-MN Collision Division Director, Jesse Jacobson of Heppner's Auto Body & Glass, will moderate the discussion and Janet Keyes, with Complete Health Environmental & Safety Services (CHESS) will be on hand to answer your questions. Time permitting, we can also talk about how Governor Walz's decision on schools might impact the auto service & collision repair industry in the coming months.
