Connect, Share, Learn

**Wednesday, May 20<sup>th</sup>**

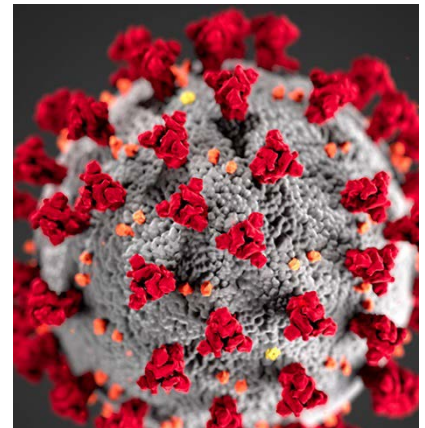

**11:30 am – 12:30 pm**

**ZOOM Conference**

At members' request, we're on to Round #3! **This time around, we're asking everyone to send any questions they have in advance**, so that we can be better prepared to address the issue during the call. **Please email [aasp@aaspmn.org](mailto:aasp@aaspmn.org) by Friday, May 15<sup>th</sup>**, so that we have enough time to research your question and provide the info you're looking for!

## **Impact of COVID-19**

Collision shop owners are facing critical challenges and pivot points as they lead their businesses in and through the current COVID-19 environment. The way you respond and plan today will determine your future success and sustainability. In this roundtable discussion, led by Jesse Jacobson of Heppner's Auto Body & Glass, members can share experiences, concerns and solutions and get your questions answered.

This in-depth discussion will cover:

- Employee issues
- Shop practices
- Business volume
- Marketing
- Parts/supplies availability
- Government assistance programs
- Other

This is your chance to "pick the brains" of some of the best operators in the area, share and learn what others are doing to adapt in these unprecedented times.
