ZOOM Conference

Phones in the Shop – Distraction or Tool?

It seems like you can't turn anywhere without seeing someone on their cell. And while a cell phone can be a hugely productive tool, compulsive use of these devices can also interfere with work. From texts to YouTube "entertainment" and social media, cell phone overuse can quickly become a problem. How do you handle this in your shop? During this call, we'll talk about:

- Phone policies
- What are "legitimate" uses?
- Monitoring & enforcement
- Personal vs. business devices

This is your chance to "pick the brains" of some of the best operators in the area, share and learn what others are doing to adapt in these unprecedented times.

Body Shop Sessions are open to all owners/managers of collision repair facilities in the area. You don't have to be an AASP-MN member to attend. Please pass this information along to a shop colleague and invite them to attend. We look forward to e-seeing you at the Body Shop Session!
