

Beyond the Four Strokes: What Do You Do When Nothing You See is Wrong, but Something is Broken?

Presented by Jerry Tempel, Principal Tech Training Specialist, Raytheon Professional Services

Wednesday, October 16, 2019

4:00 – 7:00 p.m.

EP Auto, Tire & Glass
12479 Plaza Dr.

Eden Prairie, MN 55344

Cost: \$40 Member / \$55 Non-Member ea.

This 3-hour clinic will help answer the question, “What do you do when you have swapped plugs, injectors and coils and you still have the misfire?” The “Beyond the Four Strokes” course uses real world scenarios based on vehicles from several manufacturers to focus on:

- Mechanical-related misfires diagnosis
- SIDI engine service techniques
- Most recent engine sensor technology

About the Instructor: Jerry Tempel began his career in the automotive industry as a technician in a small-town Chevrolet & Buick dealership, eventually becoming its fixed operations director. He is currently the Principal Tech Training Specialist for ACDelco & GM Account Representative with Raytheon Professional Services. He has been with ACDelco for the past 13 years, 10 years as a product specialist and the last 3 as an instructor.
