## CYBER SECURITY:

### THE BASICS FOR SHOP OWNERS

Featuring: Danny Sanchez  
CEO of Autoshop Solutions

**Wednesday, August 5th**

**12:30 p.m. CST**

As a shop owner, how do you stay ahead of cybersecurity threats? Danny Sanchez, the current CEO of Autoshop Solutions, and former shop owner, will be teaching what your shop needs to do to stay ahead of the cyber curve. Learn the basics of e-mail security, ransomware, and internet security that will give you the confidence to keep you and your customers' data safe.

- See it: visualization with email security is key (pay attention to the sender, URL, and potential phishing schemes)
- Fix it: antivirus software, data backups, and third-party tools
- Avoid it: pay attention and be able to identify phishing schemes, false buttons, and dangerous sites
