

Diagnosing Multiplexed Data Bus Networks

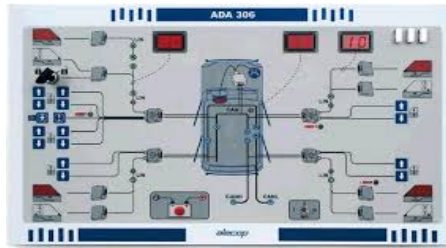

Presented by Jerry Tempel, Principal Tech Training Specialist, Raytheon Professional Services

Cost: \$50 per Member shop

Grab your lunch and a co-worker or two and attend this 2-part webinar. **Only two shops per session are allowed. First come, first served, so reserve your spot today!**

This two-part session will focus on diagnostic strategy to hone problem-solving skills for serial data failure modes in multiplex networks. Network protocols included are:

- CAN
- LIN
- GMLAN
- Most®

Repair methods will also be covered.

Pre-registration and payment are required for this session. A link to join the webinar will be sent to you the day before the session.
