Pre-Employment Screening

Could you use some help and advice from other shop owners? In this roundtable discussion, we'll discuss strategies for screening prospective employees before hire.

- Pre-employment written tests/assessments (skills/traits)
- Pre-employment drug testing and medical exams
- Reference and background checks (criminal, credit)
- Social media checks

Wayne Watson of Auto Works Automotive Service Center in Woodbury will moderate the discussion and Nate Page, Assessment Associates International, will also be on hand as a resource.

This is your chance to "pick the brains" of some of the best operators in the area, share and learn what others are doing.

Mech XChange is open to all owners/managers of mechanical repair shops in the area. You don't have to be an AASP-MN member to attend. So, feel free to pass this information along to a shop colleague and invite them to attend.
