AASP-MN Announces 21st Annual Race for Automotive Education

The 21st Annual Race for Automotive Education is planned for January 23-26, 2023, at ProKart Indoor Racing, Burnsville, MN. The event serves as the Alliance's primary fundraiser for its Automotive Education Fund, which provides financial resources to support automotive students, enhance automotive programs and raise awareness of career opportunities in the automotive service industry. Since its inception, the fund has disbursed nearly \$300,000 directly to students enrolled in automotive programs through the association's scholarship program and Skills USA competition.

AASP-MN members and other industry supporters will organize teams to compete in kart racing at speeds of up to 40 miles per hour. When the final checkered flag waves, the Race for Automotive Education is expected to raise over \$15,000, which is earmarked to fund scholarships for students enrolled in ASE-accredited automotive program (collision repair or auto service) in the state of Minnesota. Scholarship awards will be announced in the spring of 2023.

For more information, contact Linden Wicklund at the AASP-MN office at 612-623-1110 or 800-852-9071 or log on to www.aaspmn.org.

###

AASP-MN is an association of independently owned automotive service businesses and industry suppliers dedicated to improving Minnesota's automotive service industry and the success of its nearly 700 members. For more information, visit www.aaspmn.org.
