## AASP-MN Holds Raffle for 2012 Custom Fat Bagger Razorback Motorcycle

The Alliance of Automotive Service Providers of Minnesota (AASP-MN) recently kicked off raffle sales for a 2012 Custom Fat Bagger Razorback motorcycle and bike trailer. The motorcycle and trailer were a generous donation from honorary AASP-MN member, Roger Bonn, recently retired from Peter's Body Shop, St. Cloud, and his wife, Jill. Funds raised from the raffle will support the MNCARS (Minnesota Careers in Auto Repair & Service) campaign, whose goal is to raise awareness and recruit people into Minnesota's technical college automotive programs (collision and mechanical) and industry careers.

The motorcycle is valued at \$30,000 and features:

- Jim's 120 cubic inch, 121 horsepower racing engine with diamond cut heads, coupled to a 6-speed Harley Davidson Screaming Eagle transmission
- Vance and Hines 2 into 1 ProPipe Exhaust
- An array of parts from RC Components, including but not limited to:
  - front and rear wheels
  - front and rear brake rotors
  - brake calipers
  - air cleaner
- Dakota digital instrumentation with Harley cruise control
- Very nice one-of-a-kind custom paint scheme
- 18,000 miles
- One owner original custom-built bike
- Brand new Drop Tail single bike trailer that folds to stand against a wall for easy storage
