Dear AASP-MN Associate Member & Industry Supplier:

AASP-MN will hold its 29<sup>th</sup> Annual Golf Outing, Tuesday, June 11, at Majestic Oaks Golf Club in Ham Lake. We expect to see over 150 auto service and collision repair shop owners, employees, industry suppliers, and insurance industry representatives enjoying a fun day of golf and socializing.

Vendors (like you) are invited to sponsor holes and run contests during this popular event. Hole sponsorship fees are \$350 per hole. The fees include a sign posted at your designated hole listing your company's name, a sponsor listing on all promotional materials for the event, and a light dinner for up to two people working at your hole that day. Holes will be reserved on a first-come, first-served basis.

Golf will begin with a shotgun start at 12:30 p.m. **All sponsors are encouraged to have a representative at their hole and to provide some type of contest, activity or service.** Closest to the Pin, Longest Putt, Longest Drive, and Hole in One are just some of the contests you could have. Other ideas are providing a cold beverage or a snack at your hole for the golfers to enjoy. We welcome your ideas too!

After golf there will be an awards presentation and light dinner from 4:30 - 6:00 p.m.

Please complete the enclosed form and return to our office by **Friday, May 17<sup>th</sup>**. Please describe the contest and prize that you will award the winner(s) of your contest or the items you plan to provide to golfers on the attached sheet. **Arrangements for items such as pop, snacks or beer must be ordered online directly through Majestic Oaks.** Please email the AASP-MN office at [aasp@aaspmn.org](mailto:aasp@aaspmn.org) for the link to order online. You are welcome to bring your own tent, tables and chairs, but if you prefer to rent them from the course, contact the AASP-MN office for the link to order those items online as well.

If you have any questions, please contact the AASP-MN office at (612) 623-1110.

Sincerely,

Linden Wicklund  
Executive Director
